

OPEN EDUCATIONAL RESOURCES

(or Open Access Resources)

ONLINE DIRECTORY

WHAT IS OER AND OAR?

The term "Open Educational Resource/s" (OER) refers to educational resources (lesson plans, quizzes, syllabi, instructional modules, simulations, etc.) that are freely available for use, reuse, adaptation, and sharing."

"Open Access Resources" are research materials have been made available to the general public, free of charge: data and datasets, books and articles, including scholarly research articles.

Your library has compiled this directory to assist and guide you in finding and locating efficiently the resources you need.
